Who can apply for an Empty Home Grant?

Owners of Empty Homes can apply for this grant subject to the following conditions:

- The applicant must have an owner's interest in the property
- Must be a residential property that has been empty for at least 12 months and must be non-decent.
- The property must be in council tax bands A to D

How much grant can I apply for?

Owners can apply for a grant of 50% of the cost of eligible works up to a maximum of £15,000, subject to satisfactory receipts. Council officers will also work out what is a reasonable cost for the work to be carried out including VAT and all eligible fees. The grant is non repayable unless a condition is breached.

How does it work?

The grant is awarded for structural / repair works and / or labour. Fees, decoration and floor coverings are not eligible. Owners must submit an application and have received approval in writing before starting the works. Applicants then submit receipts to the Council to demonstrate the amount they have spent on repairs. An officer from the Private Sector Housing Team will need to inspect the property to confirm the works have been completed.

What conditions apply if my application is successful?

There are a number of conditions that apply in respect of the award of an Empty Home grant. These include:

- Only one grant per dwelling is allowed and the property has to be occupied before the grant is paid.
- Owner must guarantee to let at an affordable rent (Local Housing Allowance rate); issue a 12 month tenancy and allow the Council to nominate tenants for three years.
- The landlord must become a member of the Cheshire Landlord Accreditation Scheme on completion of the works.
- No further assistance is available for the property for 15 years from the completion date for that property.
- Property must meet the Decent Homes Standard and have an EPC rating of C or higher.
- Work must be completed and property occupied within 12 months of the grant being approved. Grant is paid on works completion and occupation.

Please Note: Owners must submit their application and have received written approval before starting the works and that grants offered by the Council are subject to available funding.
