

NEWS

January 2019

In December we had **special guests** at the Partnership Board meeting. We had a **Question and Answer Session** with them. More news about their answers soon.

Parliament recently had a debate on what could be done about **Avoidable Deaths of people with learning disabilities and autism**. Ministers talked about making sure all staff have training.

This is the link to the debate -

Some of our members have signed up to **volunteer** with the **Quality Monitoring Project** managed by **Dial House in Chester**. More news soon.

On **30 January** we will have a meeting with the **Cheshire West and Chester Council Leadership Team**. It will be at **10.30 to 12 noon** at **Northwich Brio**. Please contact us by **14 January** if you would like to come to the meeting or ask any them any questions.

If you want to know more about any of these things please contact us.
