

NEWS

March 2018

Vivo is planning to open **Dover Drive** for respite for some people in March.

Some emergency ambulances **cannot take people in wheelchairs**. People are speaking to the Ambulance Service to make sure this gets sorted out. More news soon.

The Partnership Board is going to invite some different people to a special meeting to answer questions. This might be people from hospitals or local councillors or service providers. If you can think of a question you want to ask someone please let us know.

The council is looking at what services adults with learning disabilities want in the future. If you would like to have a say please let us know.

If you would like more information contact **Ali McAvoy** at the **Peoples Choice Group**.
