

CHESHIRE WEST AND CHESTER BOROUGH COUNCIL

THE CHESHIRE WEST AND CHESTER BOROUGH COUNCIL (OFF-STREET PARKING PLACES, ELLESMERE PORT) (WHITBY CAR PARK) ORDER 2025

STATEMENT OF REASONS

An informal consultation was undertaken from 6 February until 2 April 2024 on a proposal to introduce a four-hour length of stay restriction on the Whitby Park car park from Monday to Friday, between 8am and 6pm. The purpose of the proposal was to protect the park for its intended use by making access easier for users of the park and users of the other leisure and recreational facilities on site.

Taking account of the views of all respondents it is proposed that a length of stay restriction is introduced to part of the car park, while the remaining will not be subject to a length of stay restriction.

The proposed Order will also allow enforcement to take place against incorrect use of disabled persons' bays and parking outside of the bay markings.
